

AGILE INDUSTRIAL ENGINEERING CONSULTANCY

Company Profile

Optimize Today. Dominate Tomorrow.

About AIE Consultancy

Agile Industrial Engineering Consultancy delivering operational excellence, manufacturing optimisation, sustainable energy solutions and industrial procurement across Southern & Central Africa.

Our Vision

To become Southern Africa's leading industrial engineering consultancy, recognised for delivering measurable operational improvements and sustainable solutions.

Our Mission

Empower industrial organisations to achieve operational excellence through data-driven process optimisation, advanced manufacturing solutions and sustainable energy integration.

Core Values

Results-Driven

Measurable outcomes, not just recommendations

Technical Excellence

Certified expertise backed by hands-on experience

Integrity

Honest assessments, transparent partnerships

Partnership

We succeed when our clients succeed

Innovation

Continuous improvement in everything we do

Services Overview

Lean Manufacturing & Six Sigma

- Value stream mapping, line balancing and bottleneck elimination
- DMAIC projects, Kaizen facilitation and 5S programmes
- Team training and continuous improvement support

Equipment Installation & Commissioning

- Equipment installation and automated line integration
- IQ/OQ/PQ qualification and commissioning
- HVAC, cleanroom validation and handover documentation

Industrial Procurement & Supply

- Technical specification and equipment selection
- Industrial equipment, spares and consumables sourcing
- Supplier coordination and installation support

Manufacturing & Maintenance Services

- Manufacturing process and facility layout optimisation
- Preventive maintenance schedules and CMMS implementation
- TPM, RCM and reliability improvement programmes

Energy Solutions

- Commercial and industrial solar PV design
- Battery storage and hybrid power integration
- Energy audits, commissioning and maintenance

Brands & Partners

We pair engineering expertise with trusted industrial brands, so you get the right equipment, correctly specified, installed and maintained.

Sourcing Partner: Supplied on request through our procurement network. Standards & Technology identifies standards and tools, not an accreditation claim.

Power & Energy

Solar, storage and backup power for industrial and commercial sites.

Soluna	Authorised Distributor	Deye	Sourcing Partner	Sunsynk	Sourcing Partner
Victron Energy	Sourcing Partner	Huawei	Sourcing Partner	Growatt	Sourcing Partner
JA Solar	Sourcing Partner	Jinko	Sourcing Partner	Trina	Sourcing Partner
Cummins	Sourcing Partner	Perkins	Sourcing Partner	FG Wilson	Sourcing Partner

Motion, Drives & Automation

Gearboxes, motors, drives and controls for mining, processing and production lines.

Rossi	Sourcing Partner	SEW-Eurodrive	Sourcing Partner	Bonfiglioli	Sourcing Partner
NORD	Sourcing Partner	Flender	Sourcing Partner	Schneider Electric	Sourcing Partner
ABB	Sourcing Partner	Siemens	Sourcing Partner	Danfoss	Sourcing Partner
WEG	Sourcing Partner				

Maintenance & Reliability

Bearings, belts, lubricants and condition-monitoring tools that support preventive maintenance, TPM and RCM programmes.

SKF	Sourcing Partner	Timken	Sourcing Partner	Gates	Sourcing Partner
Fluke	Sourcing Partner	Shell	Sourcing Partner	Mobil	Sourcing Partner

Climate & Cleanroom

HVAC and validation instruments for cleanroom commissioning and IQ/OQ/PQ qualification.

Daikin	Sourcing Partner	Carrier	Sourcing Partner	Trane	Sourcing Partner
Testo	Sourcing Partner	TSI	Sourcing Partner		

Site Safety & Corporate Wear

PPE and corporate wear for plants, mines and construction sites.

Barron	Sourcing Partner	3M	Sourcing Partner	Honeywell Safety	Sourcing Partner
--------	------------------	----	------------------	------------------	------------------

Heavy Plant & Water

Earthmoving, compressed air and pumping equipment.

Yugong	Sourcing Partner	XCMG	Sourcing Partner	SANY	Sourcing Partner
LiuGong	Sourcing Partner	Zoomlion	Sourcing Partner	Atlas Copco	Sourcing Partner
Grundfos	Sourcing Partner	KSB	Sourcing Partner	Xylem / Lowara	Sourcing Partner

Standards & Technology

The standards and tools behind our work.

ISO 9001	Standards & Technology	GMP / WHO guidelines	Standards & Technology
SABS	Standards & Technology	PMI	Standards & Technology
		SAP	Standards & Technology
Microsoft Power BI	Standards & Technology	Minitab	Standards & Technology

All brand names and trademarks belong to their respective owners. Listing does not imply endorsement unless stated as Authorised Distributor.
